

SAY HI SONG

Song Lyrics

Get up, get ready.
You have a big day ahead.
Time to learn, to have fun,
and make some new friends.

Say hi, and smile,
make new friends, play and run.
First day at school is exciting,
and learning can be fun.

Don't worry if it's hard.
Others can be shy too.
Just be yourself, be kind,
and let them get to know you.

Just say hi, and smile,
make new friends, play and run.
First day at school is exciting,
and learning can be fun!
